USA Delaware law provides serious protection for investors and has a great value to mature entities. So, most of the companies registered in Delaware are listed companies, international companies conducting mergers and acquisitions, and other business entities with complex structures. If the company is not operating in Delaware, it is not required to pay state income tax.

美國 特拉華州法律為投資者提供嚴格的保護，對成熟實體具有重要價值。在特拉華州註冊的公司大部分是上市公司、開展併購活動的國際企業以及結構複雜的其他商業實體。若公司不在特拉華州營運，則無須向州政府繳納所得稅。
